

All Talentz

**A REMOTE
EMPLOYEE
RECRUITMENT
COMPANY**

WHO WE ARE:

All Talentz is an employee recruitment company. To best describe what we do, we are best put as matchmakers, matching businesses with workforce needs; quality and experienced remote employees across Africa at great bargains.

We know cost is a big factor in hiring great talents and we come on as conduits to a treasure trove of experienced remote employees across Africa at decent wage cards.

Our range of vetted remote employees cut across varied business needs and niches as...

ESTIMATORS:

Experienced estimators with rife know-how on cost assessments and analysis and extensive knowledge of programmes such as: Xactimate, Corelogic, Dash, Xactanalysis, MICA and Symbility, through which they generate costs and manage the entire project from start to finish.

DIGITAL MARKETING:

Digital marketing specialists who do the most to keep businesses going and growing.

They come versed with know-how on:

- * Social media marketing tools.
- * Email marketing tools.
- * SEO (search engine optimization) tools.
- * Conversion optimization tools.
- * Lead enrichment tools.
- * Landing page and lead capture tools.
- * Graphic creation tools.

TELEMARKETERS:

Our assortment of telemarketers are well grounded in effective communication, they do the most to sway feelings and get your product or services in the hands and minds of consumers

VIRTUAL ASSISTANTS:

We understand how busy the world gets and how busy yours can be, we have virtual assistants ready to help make your every day a little less strenuous.

WHY US

With tentacles across Africa,
we are good to fit you with
quality freelance employees
without compounding vastly
to your payroll.
